E. [peter@eqstruc.co.nz](mailto:peter@eqstruc.co.nz)

Peter has held design and technical consultant roles with several respectable firms in New Zealand and has gained comprehensive knowledge of design, management, documentation, and construction of small to large projects in a variety of sectors. Peter is a founding member of EQSTRUC and a working director within the company, leading a team of engineers in seismic assessment of buildings, design and analysis of complex structural systems and building investigations.
